VERSE

G	%	%	%
----------	---	---	---

High up in the pasture, You see it in the faces And so I'll take these phototgraphs and burn them in my memory	I hear the cattle calling of the people as they pass you
--	---

%	%	D	%
---	---	----------	---

from underneath the mango it's in their easy going island to help me make it through the coming	tree style year
---	-----------------------

%	%	%	%
---	---	---	---

The tradewinds are blowing Nobody seems to worry and when I'm overwhelmed, I'll call them up and I'll remember	the blossoms are floating nobody's in a hurry
--	--

%	%	G	%
---	---	----------	---

lazily along with the there's always times enough to return a smile till I can find my way _____ back here.	breeze
